

Back to business, safer and improved.

Restore customer confidence while building
brand experience.

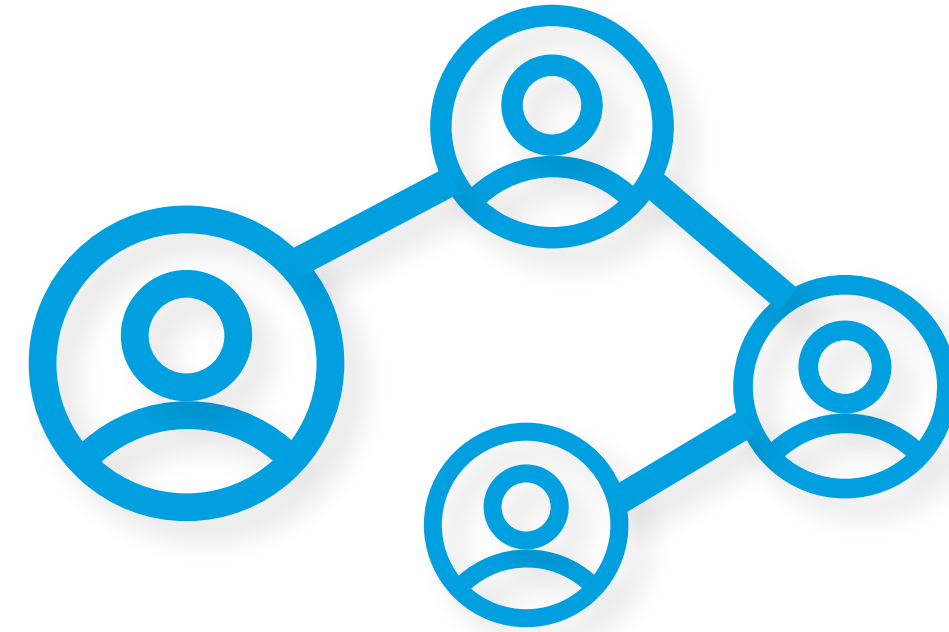

Looking Forward: Connecting Through Division

Build brand confidence with safe and connecting experiences.

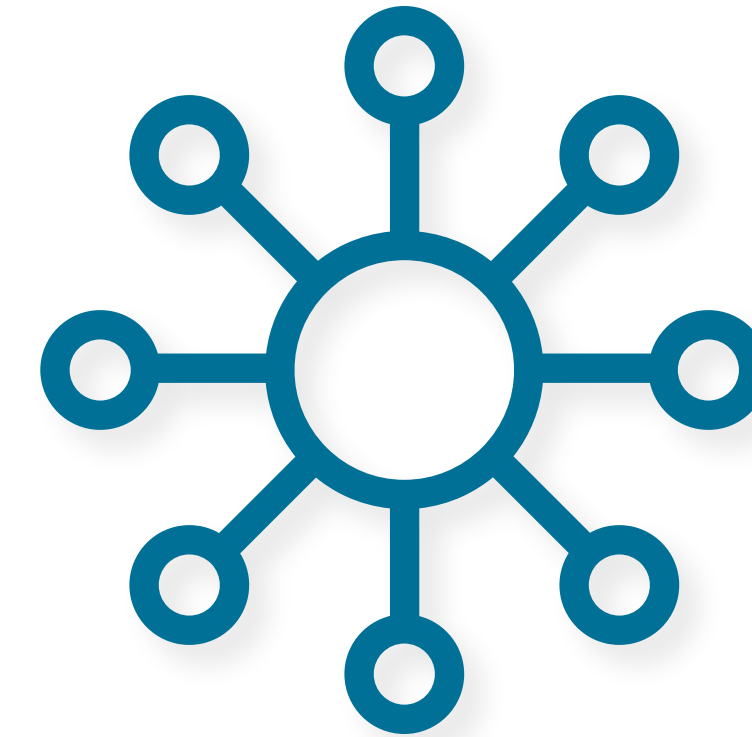

Evolution

Innovations of the future will evolve out of today's utilitarian safety solutions.

Social Connection

Value in social connection will increase, as will value in personal space.

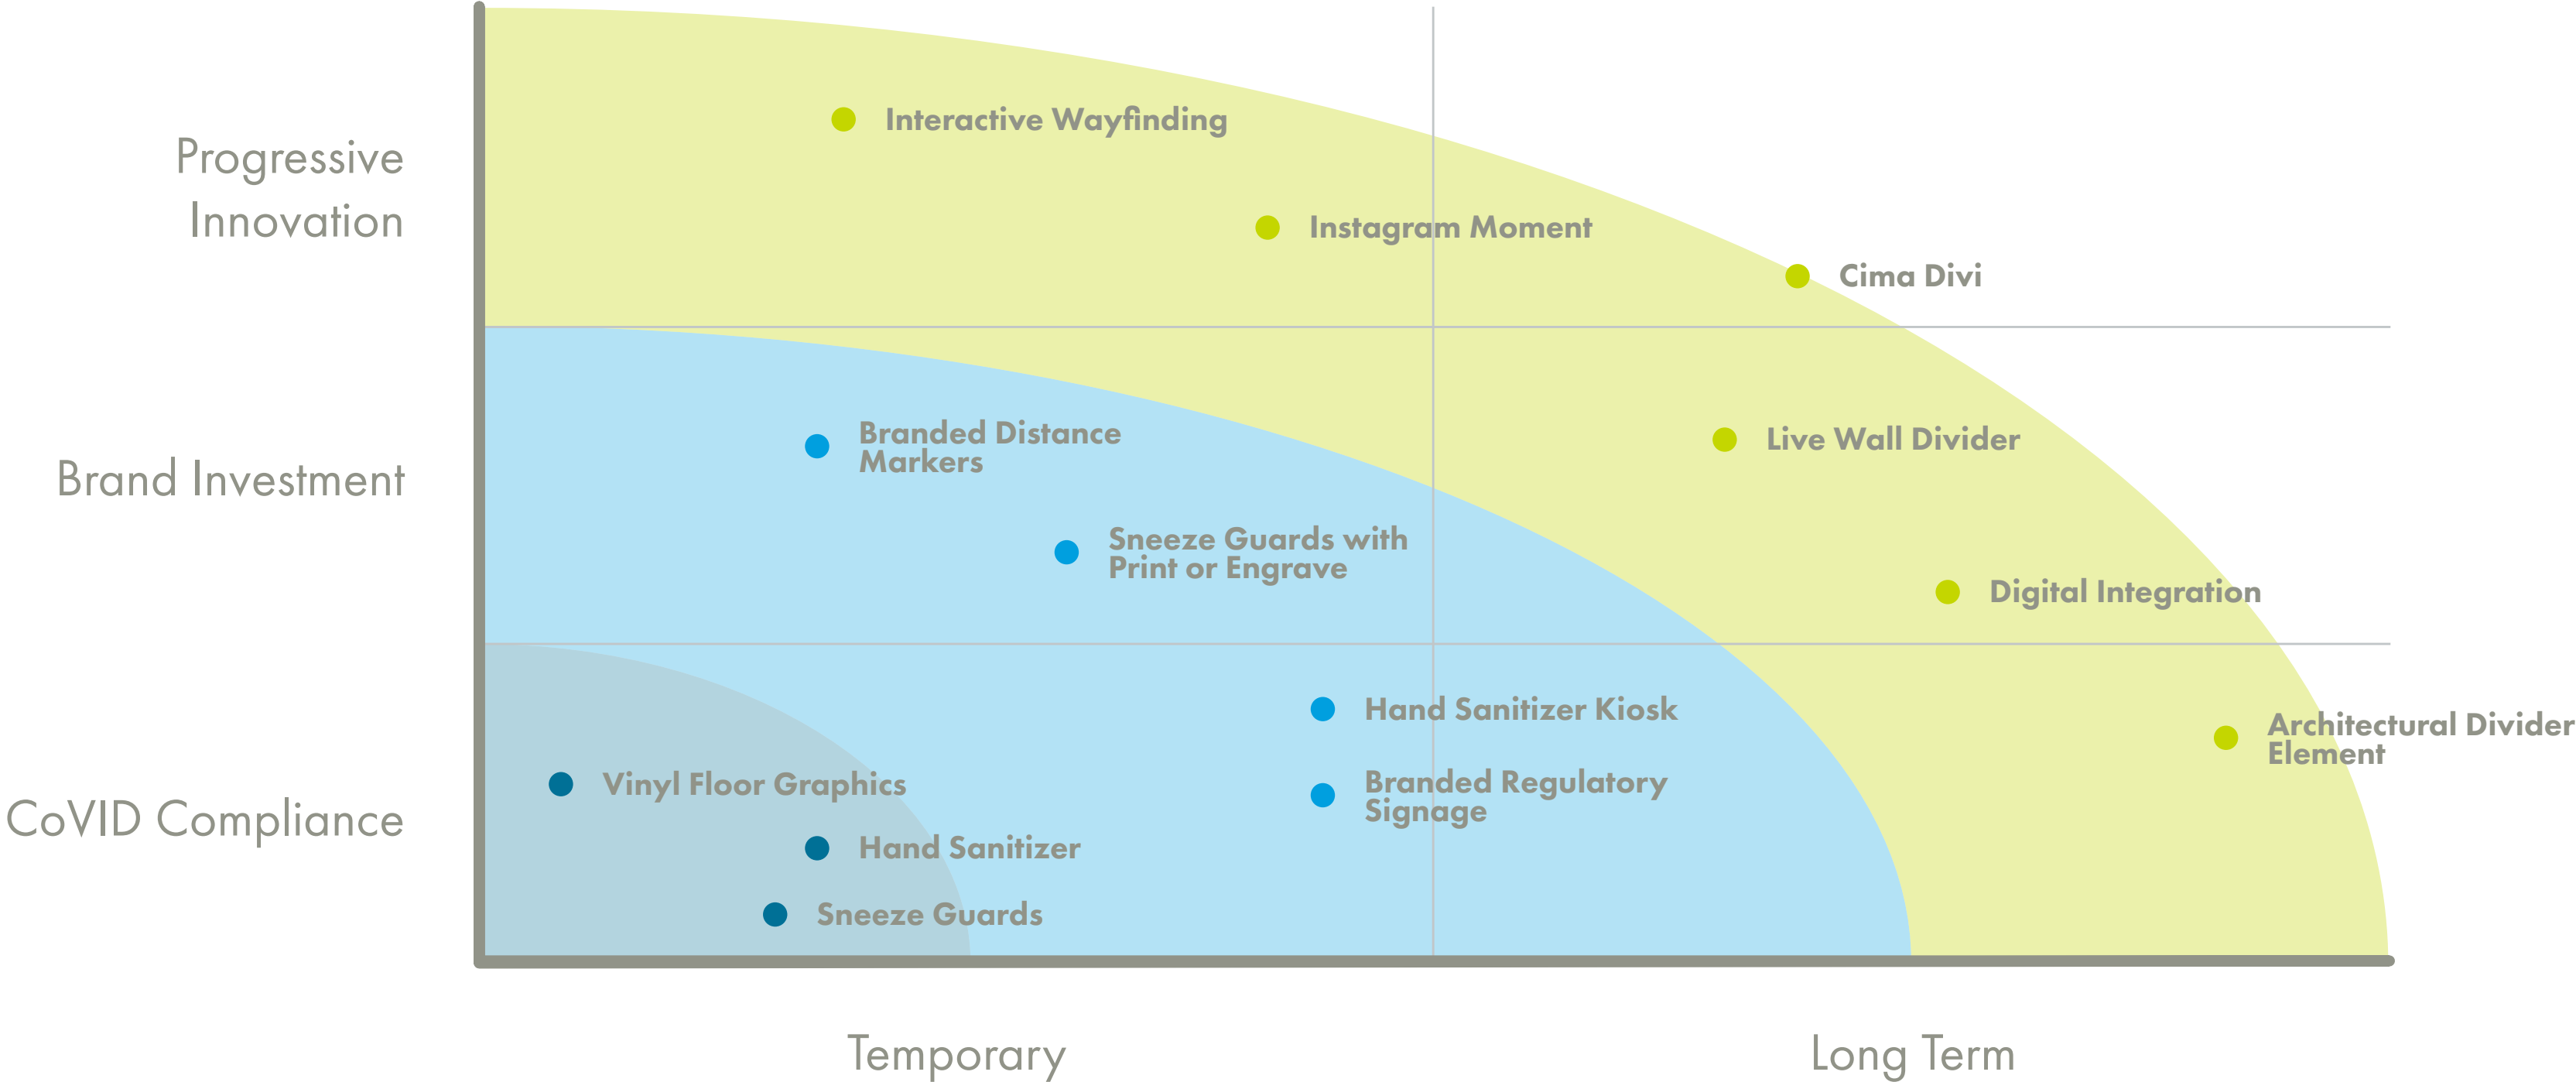

Omni-channel Presence

Demand for seamless transition from digital to physical experience.

Distance Yourself from Your Competition

Use this moment of change as an opportunity to expand your client experience.

Social Distancing Solutions | Basic to Custom

Embrace the opportunity to build protection and brand experience. Envision and prepare for a future with dynamic solutions. Together, we can make it happen.

Tailored Solutions for Your Brand

More products, more solutions, more value-added services.

IDEATE

dynamic solutions
from basic to custom.

PROTOTYPE

with a team of fabrication experts
to get the details just right.

BUILD

with value and
efficiency.

ROLLOUT

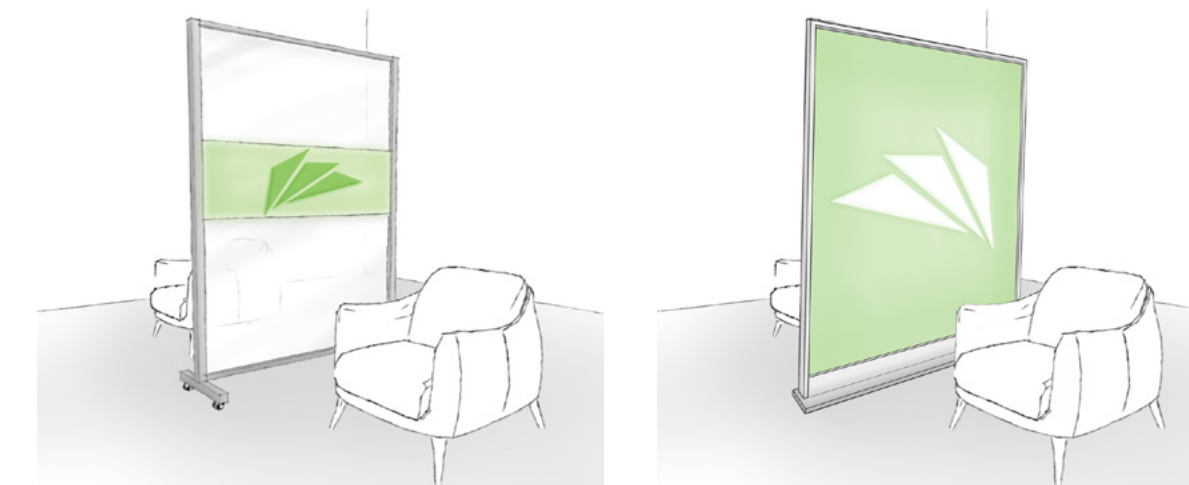

on schedule with responsive &
reliable project management.

Envision Dynamic Solutions

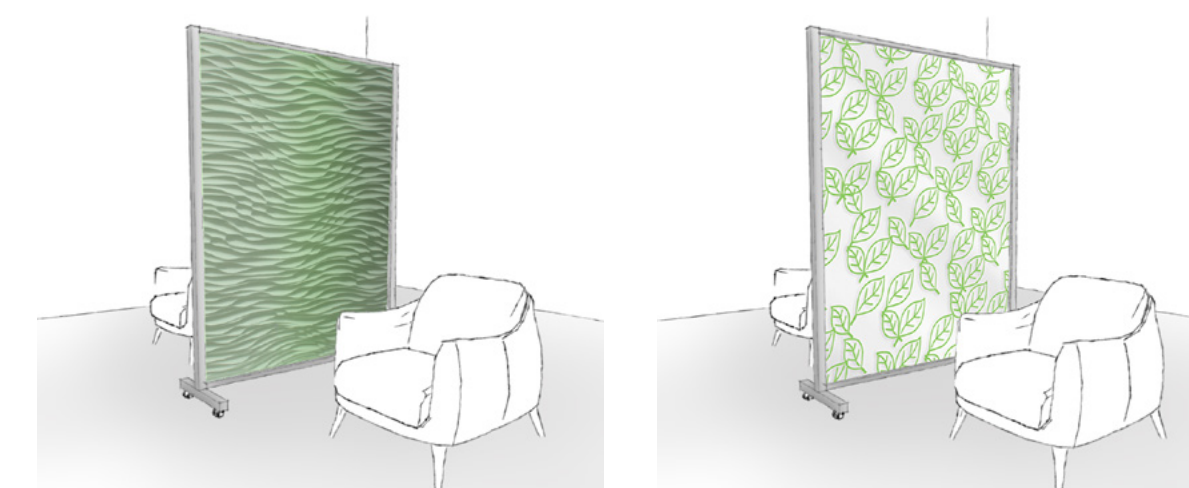

Together, we can build a better future.

Our once communal areas are being divided to ensure personal safety. Cima Divi takes the concept of a divider panel and transforms it into a beautiful illuminated addition to a space.

Selfie Station Distancing

Let's create places that elevate your atmosphere and build memorable moments that safely distance your guests.

Envision Dynamic Solutions

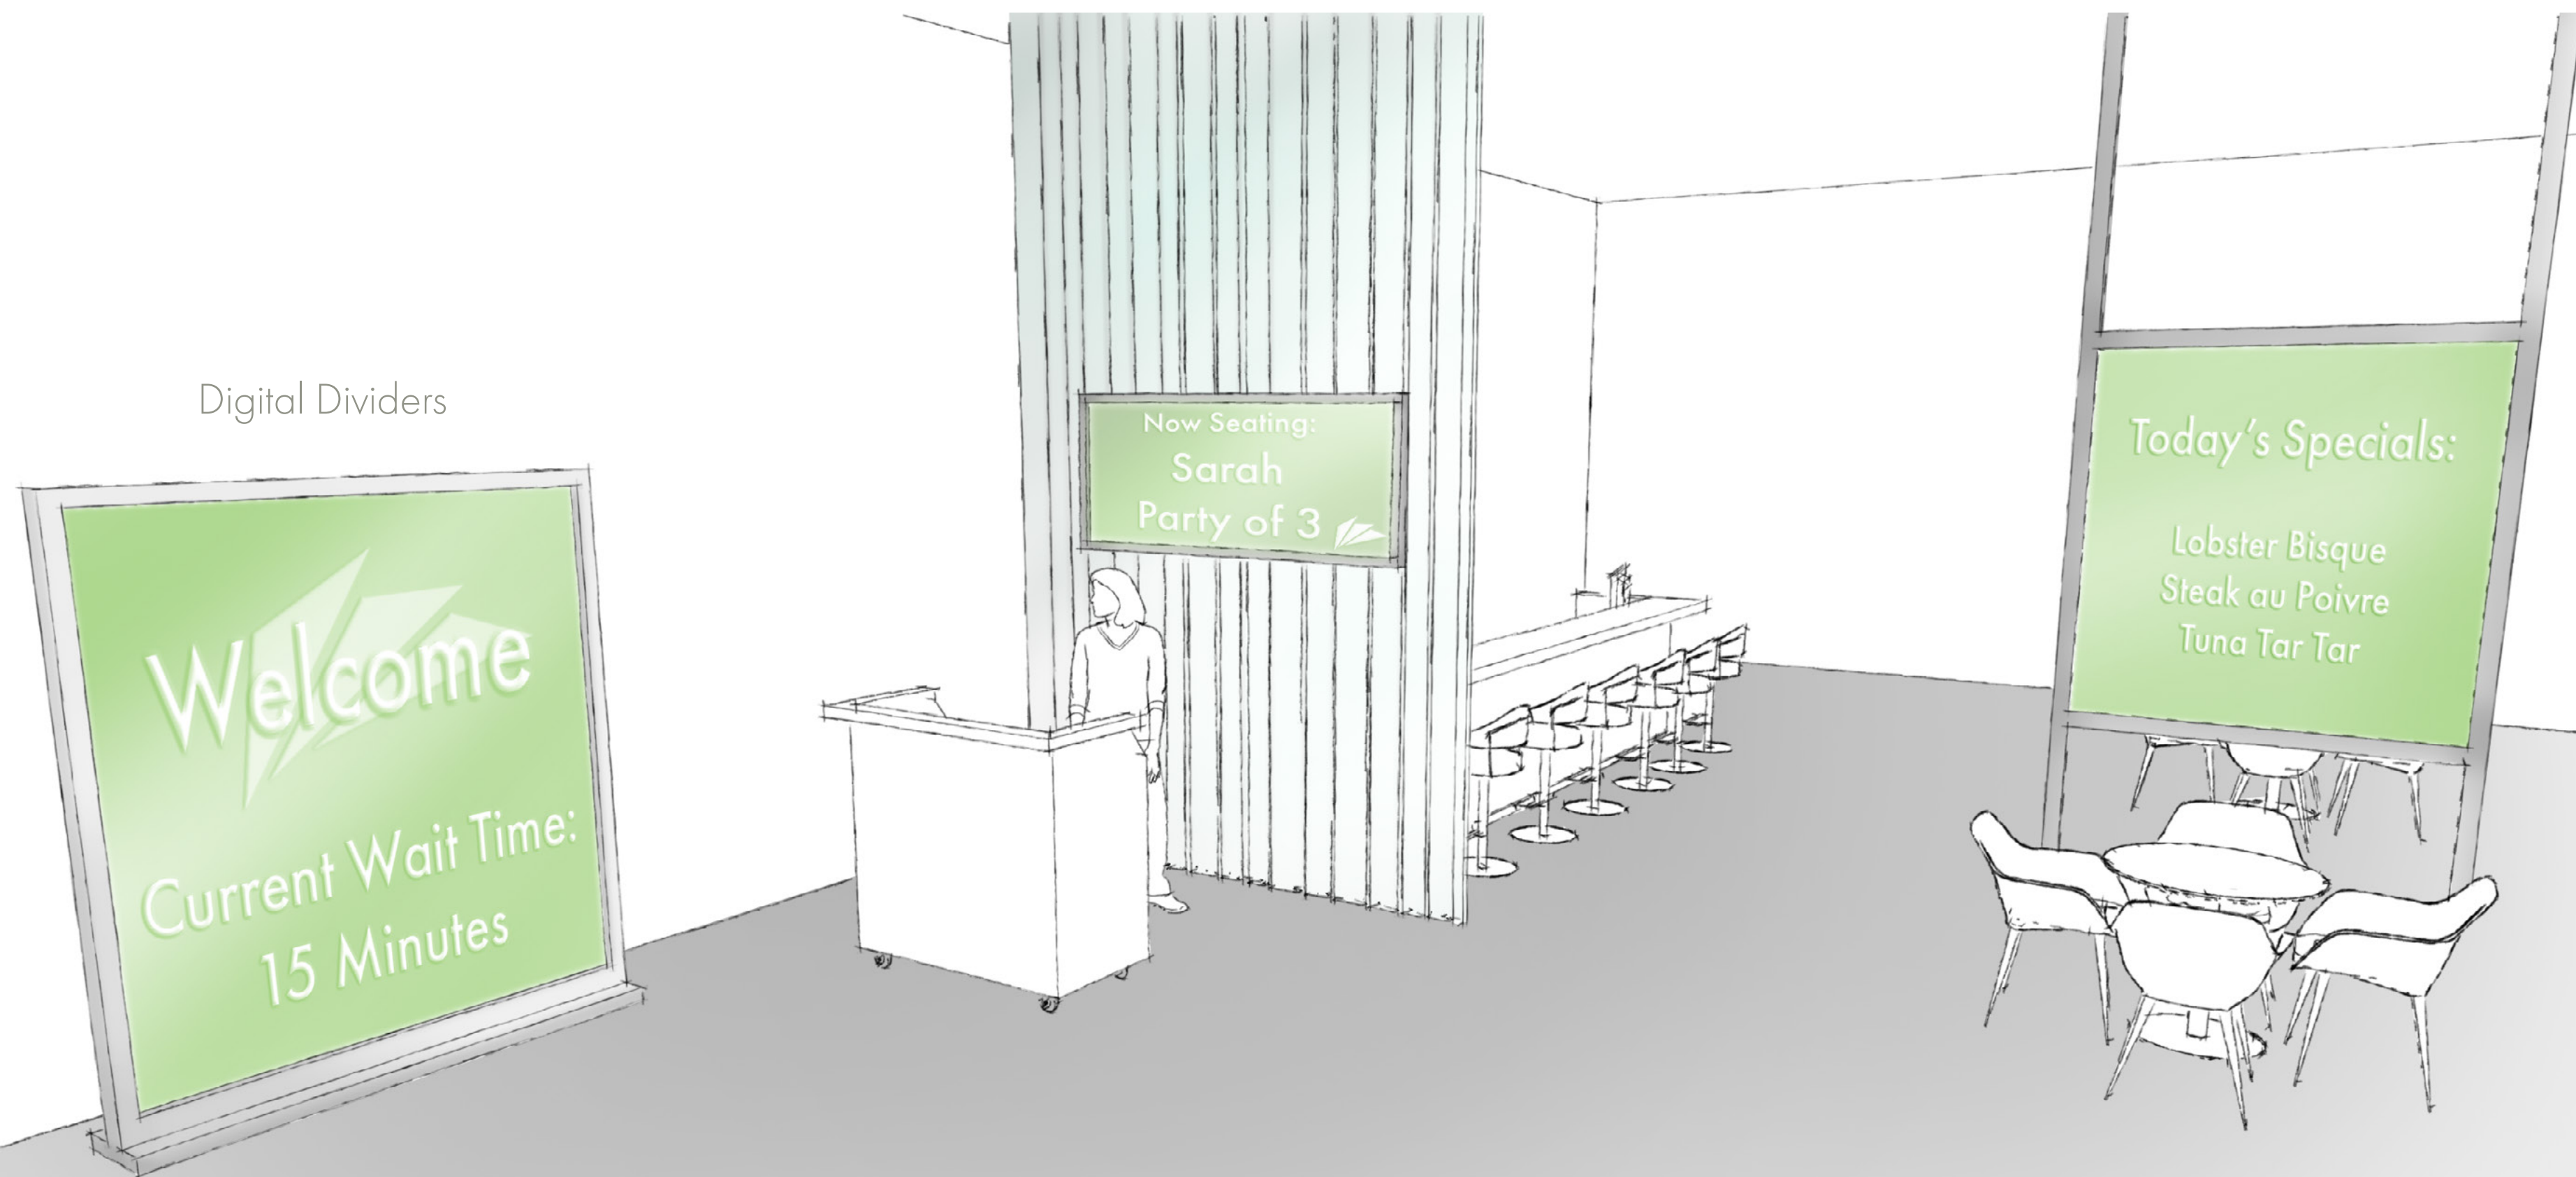

Together, we can build a better future.

Progressive & Long Term Solutions

Architectural Digital Dividers

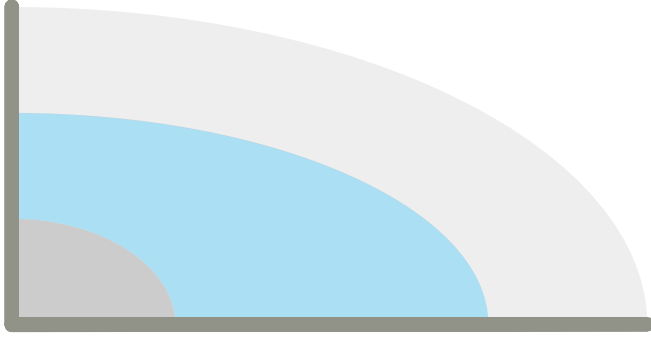

Digital Dividers

Connect the digital experience to the physical one, lower perceived wait times, improve brand recognition and safely distance your clientele.

Build Brand Experience

Use this moment of change as an opportunity to expand your brand recognition.

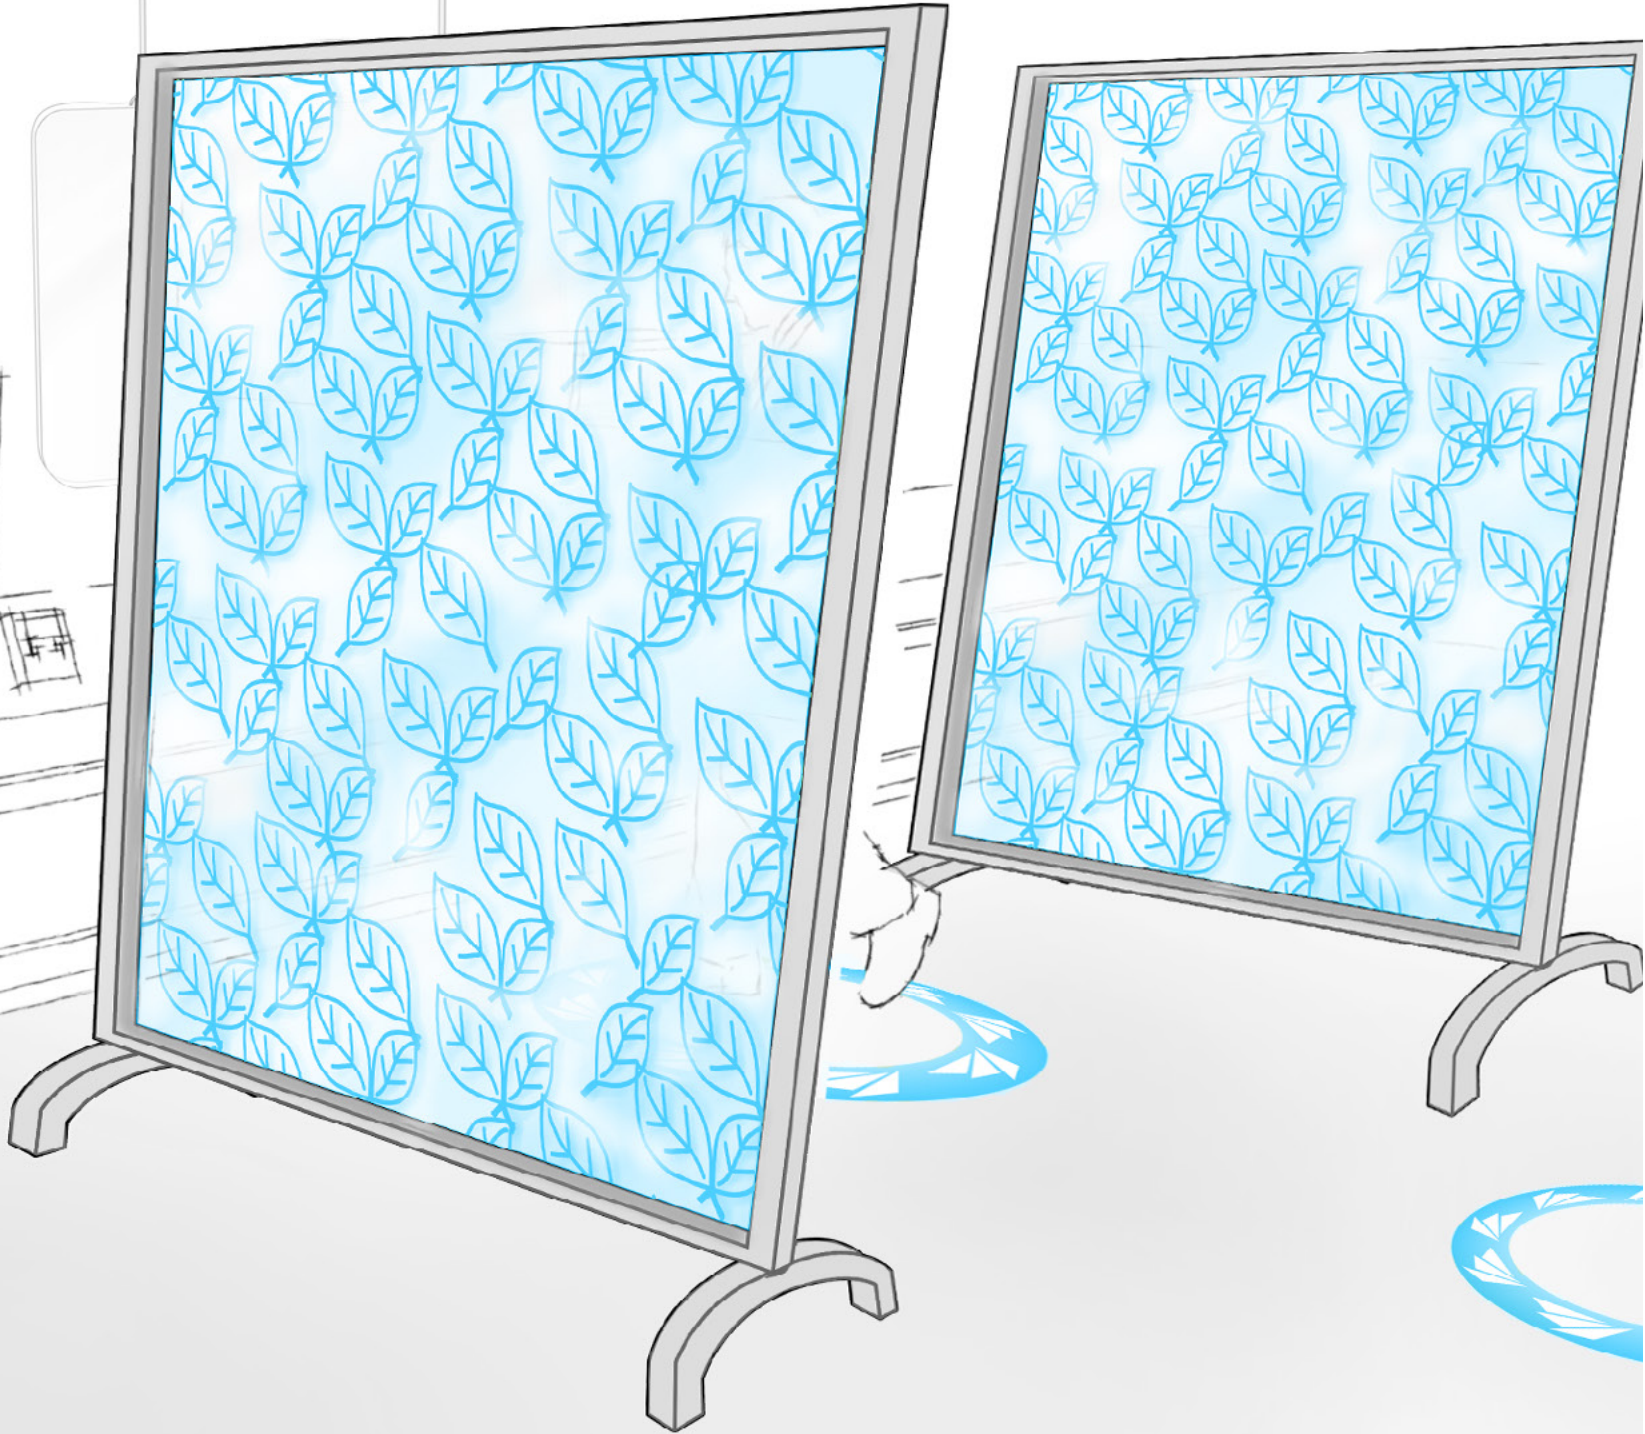

Brand Investment

Branded Hanging Sneeze Guard

Branded Dividers

Branded Hand Sanitizer Kiosk

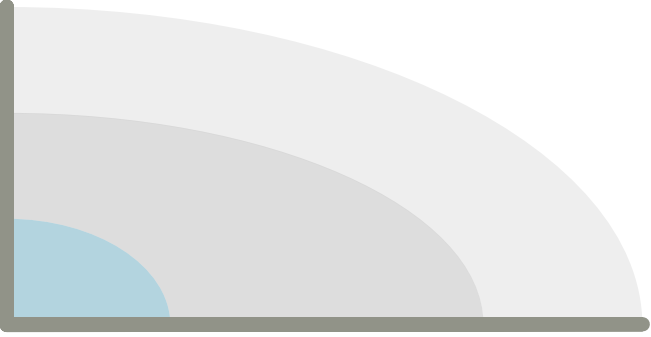

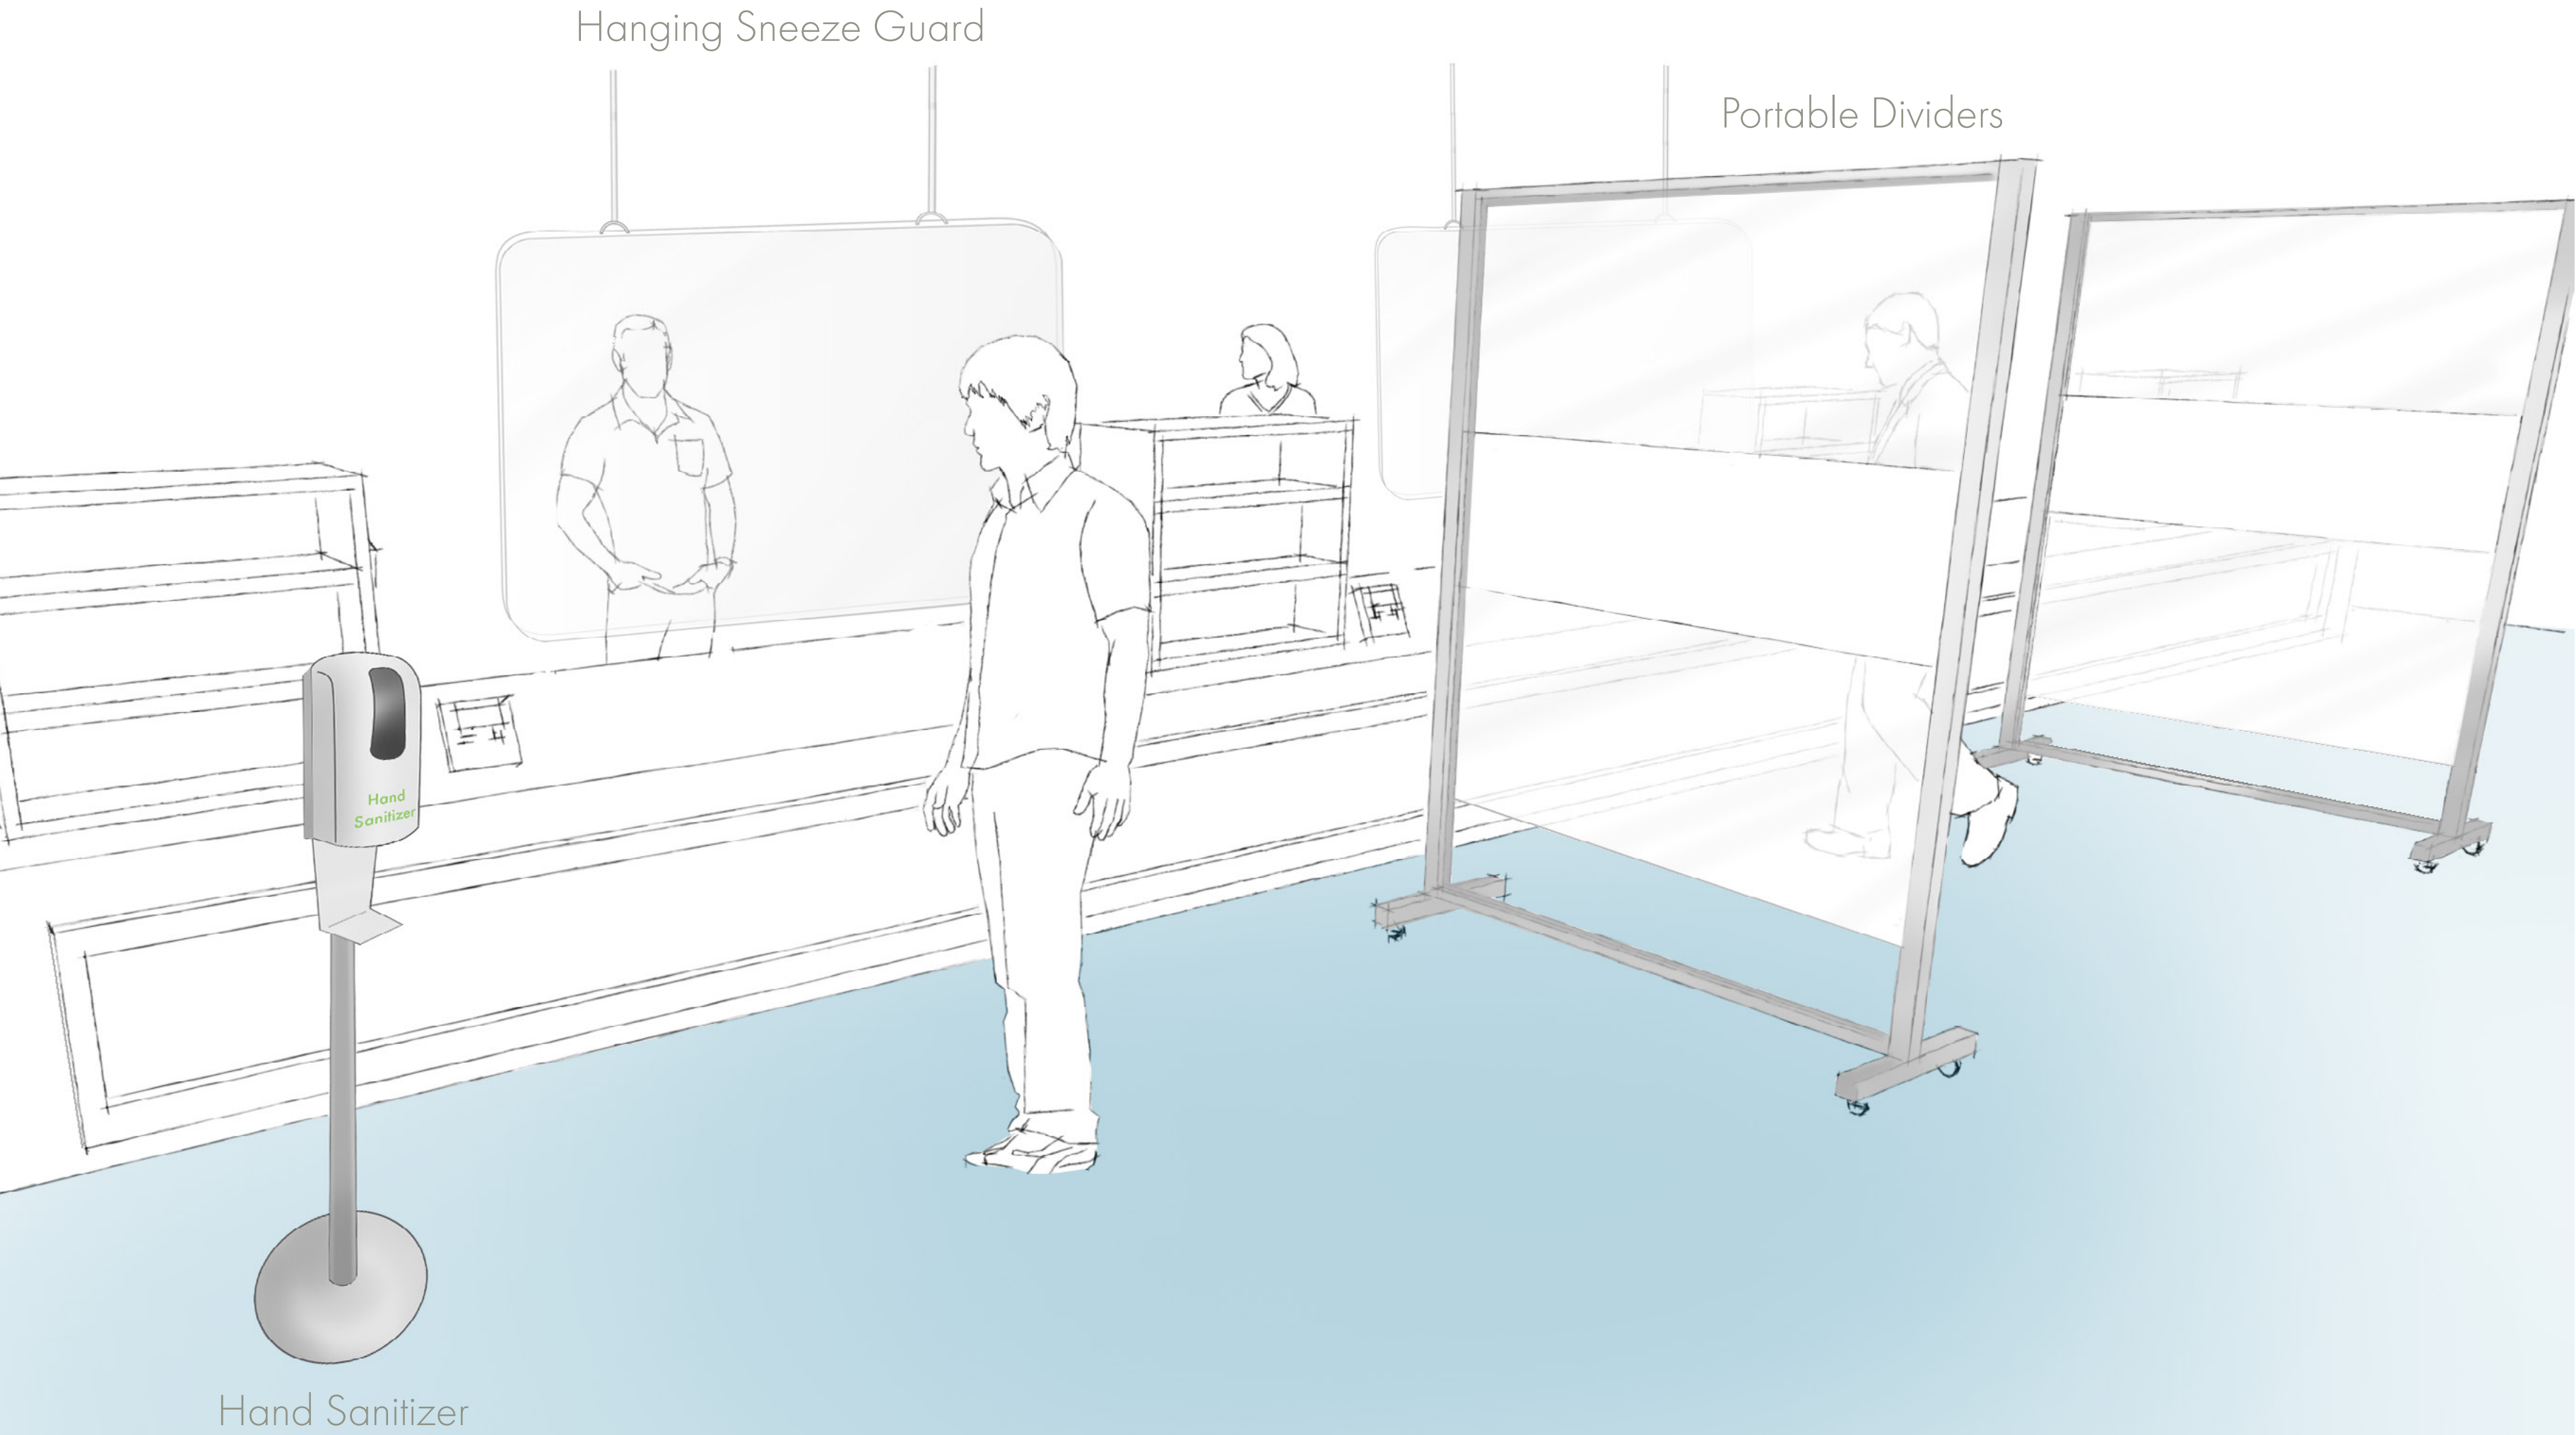

Wayfinding Social Distancing Floor Graphic

Embrace the opportunity to build protection and brand experience. Ease your guests' minds, increase safety and strengthen your brand presence with custom printing, engraving, illumination, wayfinding and hand sanitizing.

Get the Basics Right

Protect your team and your guests.

Temporary CoVID Compliance

Simple solutions made to fit your space. Quality materials precisely manufactured to meet your needs. Cover your bases.

Your Partner in Brand Experiences

From custom to program rollout, Cima is your solutions partner.
